## EXECUTIVE SUMMARY

Dedicated and accomplished Ph.D. graduate in Management with a specialization in Supply Chain Management, offering five years of research experience in optimizing supply chain processes. Proficient in analyzing complex networks, identifying inefficiencies, and implementing strategic solutions to drive cost savings and improve operational efficiency. Skilled in utilizing advanced statistical methods and modeling techniques.

Adept at working with cross-functional teams to develop innovative strategies aligned with organizational goals, delivering measurable results. Passionate about continuous improvement and staying current with emerging trends and technologies in supply chain management. Eager to leverage my expertise and insights to support a forward-thinking organization committed to operational excellence.

## EDUCATIONAL EXPERIENCE

---

*Putra Business School (PBS), Malaysia (AACSB Accredited Business School)*

---

### Ph.D. Scholar (OCT 2018 to NOV 2023)

As an active contributor to research at PBS, I am dedicated to fostering academic excellence. My commitment to imparting knowledge and advancing research enriches the vibrant intellectual atmosphere of my university. I conducted rigorous research for my thesis titled "**Effect of Supply Chain Management Practices and Supply Chain Integration on Operational Performance in the Textile Industry of Pakistan**," contributing to the academic community through publications in peer-reviewed journals. I secured a Student Publication Incentive (SPI), which facilitated my study and exploration of key topics in my field. Additionally, I collaborated with colleagues and external partners on interdisciplinary research projects, enhancing the impact and reach of our collective work. I also participated in preparing and submitting accreditation reports and documentation.

## PUBLICATIONS

I have authored and co-authored 5 research papers, many of which are indexed in prestigious databases such as Scopus and Web of Science. My work has been published in leading journals and by renowned academic publishers, including Sage, Sarawak Research Society and Common Ground Research Networks, among others. These publications reflect my commitment to contributing high-quality research to the academic community. For a comprehensive view of my academic contributions, you can visit my profiles on Google Scholar and ResearchGate.
